October flew by and it looks like everyone has settled into the new routines.

This year we will be videoing our Remembrance Day Program. It will be available for viewing on Tuesday, November 10th. Once it is completed we will let everyone know how to access it.

There was a good turnout for the SCC Annual Meeting held on October 19th. Thank-you to those in attendance as your participation ensures the students of Stewart Valley School have every opportunity possible.

The SRC will be collecting items for the Operation Christmas Child Shoeboxes. If you are able to donate, please have items at the school no later than November 16th. This will allow them time to pack and send them by the deadline.

Our Parent Teacher Conferences will be held from 3:05 - 6:30 pm on Tuesday, November 24th and Wednesday, November 25th. Details are still being finalized, but what we can tell you is that they will look completely different this year, as we will not be meeting in person. Once we have completed the planning process, information will be sent out to all parents.

## From the Principal's Desk

October was another fantastic month of school, although it was much colder than the previous one! I believe students and staff are in a rhythm, where we have readjusted to work and school. Thank you students and parents for your understanding and flexibility as things continue to change and look different from past years. Your support is greatly appreciated and will continue to be important as the year progresses.

Remembrance Day makes the month of November extra special. Students have been preparing writing, artwork, music, etc. for our Remembrance Day video, which will replace the traditional Remembrance Day service hosted at the school. It will be shared with you prior to November 11th. Also, this is an important month as parent-teacher conferences will take place on November 24th and 25th, providing an opportunity for us to discuss student learning. These conferences will be over the phone, and more information will come soon.

Let's have another great month!

*lest we forget*
