

**February
2021**

Stewart Valley School

Although we endured the blizzard of January 13th, and the icy roads, we made it through January. We will see what February will bring us.

Thank you for keeping students home when they are not feeling well. We have prevented a lot of illness for our students and staff by remaining at home while not well, along with hand washing, wearing masks and the increased sanitizing.

Report Cards were published on January 29th. You should be able to log into My School Sask. (<https://myschoolsask.ca/aspen/logon.do>) at any time to view report cards. If you are having troubles, please contact the school.

Mr. Wipf has set up an account for Stewart Valley School with Entripyshops. This allows you to purchase a wide variety of items and clothing of your choice, using the logo that you prefer. You can find a link on the school web site and more information in this newsletter.

There will be no school from February 15 - 19th. Classes will resume Monday, February 22nd (Day 6) for Grades 1-8. Kindergarten students will return to school on Tuesday, February 23rd (Day 1).

Feb 5th: SRC Decades Day

Feb. 11th: Shelter in Place Drill

Feb. 12th: SRC Red Day

Feb. 14th: Happy Valentine's Day

Feb. 15 - 19th: NO SCHOOL - Family Day and February Break

Feb. 24th: Pink Shirt Day - please wear a pink shirt to support the anti-bullying campaign.

February

It has been a great start to 2021 at Stewart Valley School. January brought many new units of study for classrooms, and teachers were busy collecting assessment pieces and completing report cards. The NFL playoffs created lots of excitement for our school this month, being closely monitored and used in math classes for grades 5-8. A NFL playoff challenge with room 2 and 3 students is quickly coming to an end with prizes on the line! Some severe weather throughout January made for difficult transportation to and from school. We had five people stay overnight at the school due to the winter storm, and Trudy Skerten went above and beyond to make their stay as safe and comfortable as possible.

February marks the second half of the school year. Students in room 3 will begin science fair projects for the virtual competition in March. A school clothing order will be available sometime this month, and more information will be sent out to families soon. Staff Appreciation Week is from February 8th-12th, and our school will be showing our admiration for these 'unsung heroes.' Some fun Valentine's Day activities will take place for students on February 12th, compliments of our SRC. Families will get to spend some quality time together during the school break from February 15th-19th. Let's make the second half of the school year awesome!
