

# January 2022

You'll never  
get bored  
if you try  
something  
new.  
There's no  
limit on the  
things you  
can do!

Dr. Seuss

Welcome back! We hope that you were able to relax and enjoy the time together over the holidays.

We have a couple of huge shout outs we would like to acknowledge. The first is to the SCC for their hard work and support of the students and staff at Stewart Valley School. What a fabulous way to wind down for the Christmas break with Christmas crafts, a pizza lunch and a family reading gift while dressed in our pajamas! The second shout out goes to Room 3 students and Mr. Ruf for recording and putting together the Christmas program. I'm sure you enjoyed it as much as I did.

Before the break, some of the students were able to check out our new floor curling equipment. A chance to learn more about the game here at the school.

The First Term Report Cards will be available on January 31. Please ensure that you have your account user ID and Password. We would appreciate you give it a try in the next couple of weeks to log in. If you have troubles please let us know so that we can trouble-shoot before the 31st as I am sure the IT team will be busy at that time.

### Here are some of the things that are happening in January:

- |                        |  |
|------------------------|--|
| January 3, 10, 17, 24: | Band   |
| January 5, 12, 19, 26: | Curling  |
| January 13:            | Last day to submit Hot Lunch Forms                                   |
| January 19:            | Hot Lunch  |
| January 27:            | Family Literacy Day  |
| January 31:            | <b>NO School</b> - Turn Around Day<br>Report Cards available to view |

# Principals Message

Happy New Years to all the Families! 2021 has come to a conclusion but it went out with a bang. On Dec 17, the school partnered with the SCC to take part in some festive events. The SCC purchased craft supplies and designed 5 spectacular holiday themed crafts stations for the students. Each station had several SCC and volunteers to help the students build and create their Christmas crafts. The SCC also sponsored a pizza lunch for all the students, staff and volunteers. On behalf of the staff and students, I would like to give a big thank you to the SCC for all their hard work in supporting our school community.

So far January has been a very cold month as the wind chill is still a major factor. Please send warm clothes for when we have outside recess. We like students to have snow pants, winter jacket, warm winter boots, gloves, toque, and scarf/neck warmer. If the wind chill is warmer than - 25 we will plan on going out for a 10-15 minute recess break. Thanks for your support.

Have a great 2022! I hope to see you soon but until then stay warm and safe. Try to enjoy all the snow, I know I will.

Thanks

Carson Benallack  
Principal  
Stewart Valley School

Be sure to try logging into MSS to ensure your User ID and Password work prior to Report Cards being published. If you go to the school website: [https://www.chinooksd.ca/school/stewartvalley/Pages/default.aspx#/="](https://www.chinooksd.ca/school/stewartvalley/Pages/default.aspx#/=) you can click on the MSS Family tab in the red bar. It will take you directly to the log in page. Please contact the office if you are experiencing any troubles. If we can troubleshoot before the 31, it should allow us to resolve issues quicker.

January 31, 2022 - Turn Around Day

**It's cold out there!**

Please ensure students have **warm winter coats, snow pants, boots, mittens and**

**toques** as they are expected to go outside during recess.

### **UPCOMING EVENTS:**

**February 7: SCC Meeting at 7:30**

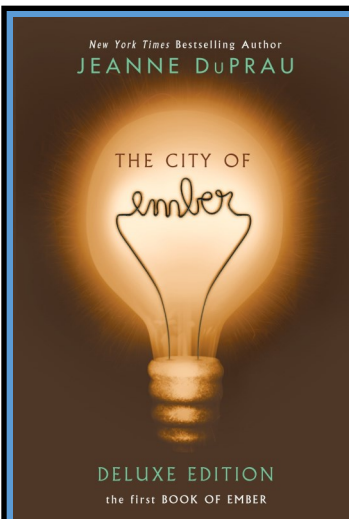

**February 21-25: NO SCHOOL February Break**

When a bus driver takes a break from his route, a very unlikely volunteer springs up to take his place—a pigeon! But you've never met one like this before.

It's a beautiful day in Deenville and the gang is presented with a new challenge. How will the kids solve this difficult new task? And how does a Greek mathematician play an important role in the solution? Think like an engineer and work alongside Jesse and pals to figure it out!

The city of Ember was built as a last refuge for the human race. Two hundred years later, the great lamps that light the city are beginning to flicker. When Lina finds part of an ancient message, she's sure it holds a secret that will save the city. She and her friend Doon must race to figure out the clues before the lights go out on Ember forever!
