

Stewart Valley School

It was a wonderful sight to see the family members and community come out to watch our Stewart Valley Christmas Concert! We hope you enjoyed it as much as we enjoyed seeing you there.

Thank-you to the SCC for organizing the craft day and providing us with the pizza lunch! There were 12 parents/ family members that came to help with the craft day, we really appreciated the extra hands to help us out.

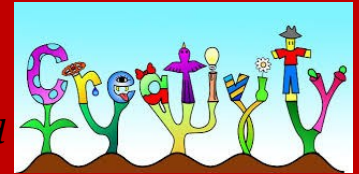

Just before the break and over the holidays, Mike Haydon worked hard at getting the rink flooded. Thank-you so much for that huge task! We now have a good layer of ice on the rink, so if the weather co-operates maybe we can do some skating. More information will be sent home when that will happen.

Hopefully everyone was able to relax and enjoy the festive season with their family and friends.

Things start up right where we left off in December. Have a look at what we have going on in our school this month.

From the Principal's Desk

Welcome back everyone and Happy New Year! I hope everyone enjoyed a relaxing and enjoyable Christmas and New Year celebration with your families and friends. I want to commend our students and staff for a fabulous Christmas concert on December 19th. The Christmas concert was a wonderful way to send us into the Christmas holidays and I thank all of our family members who attended the Christmas concert. As we embark on 2020, January is another busy month at our school that will culminate with report cards being sent out on the 31st.

Our "Virtue of the Month" for January is Creativity. Starting off the new year, we would like to focus on taking our new and imaginative ideas and letting them grow to their potential. I look forward to seeing what our students and staff will bring forth over the next months. We will have many opportunities to try new things and to learn from both our successes and our mistakes. It is my hope that 2020 is a year of creativity and fulfillment for all of us.
