

Stewart Valley School

We hope that you were able to enjoy the time with your families during this very unique holiday season!

A tremendous amount of time and effort was put in to produce the virtual Christmas concert. I trust you enjoyed watching it as much as I did. It shows the creativity and talent in our school!

This video will leave us a digital memory of the year that challenged us all, and how we persevered.

JOB WELL DONE!

The week before the break, students were busy getting into the Christmas spirit with decorating and dressing up. Things wrapped up on Friday with crafts and a pizza lunch that was organized and supplied by the SCC. We are fortunate for their support and involvement.

Here are a couple of things to keep in mind for January!

- ♦ **SCC Meeting January 11 at 7 pm** via Google Meet.
- ♦ **Lock Down Drill on January 14th.**
- ♦ **Report Cards will be available for viewing on Thursday January 28th.** You will need your login ID and Password. Please try logging in before the 28th. Should you have troubles logging in please contact the office.
- ♦ **No School for Students on January 29th.**

January weather appears to be off to a spectacular start. Let's enjoy it while we can and see how long it will last.

January 2021

You're
Braver
than you
believe,
Stronger
than you
seem,
and
SMARTER
than you
think.

by
A.A. Milne

From the Principal's Desk

We made it to 2021!

Although December was a short month for school, it sure was a busy one! Classrooms worked hard to wrap up as many projects and units of study as possible before the break. The students and staff invested a great deal of time and energy to create a virtual Christmas concert. This was a huge success, especially considering the unique challenges that we faced throughout its production. We led into the Christmas break with a fun spirit week, that finished with a variety of Christmas crafts and a pizza lunch, compliments of our stellar SCC!

I look forward to the continued work ahead. Although I am optimistic about the global pandemic in 2021, it is crucial that we remain vigilant at school with hand washing, masking, physical distancing, etc. Up to this point in time we have done a great job of keeping students and staff safe at Stewart Valley School. Let's keep it up!

S.R.C. NEWS

The SRC had not finalized their January activities at the time I sent out this newsletter.

Please watch the website and emails for more information.

**HAPPY
BIRTHDAY**

Please ensure that students have weather appropriate clothing. Students will be going outside at recess so they need to have clothing that is suitable for the weather conditions.

UPCOMING EVENTS:

Feb. 15-19: NO SCHOOL - Family Day & February Break
SCC Meeting via Google Meet
