time."*

- Thomas A. Edison

In May Room 3 students participated in the Sectional Track and Field Meet in Swift Current. Our students did a wonderful job representing our school. Although we did not have any students qualify to compete in the District Track and Field Day, our Stingers showed up and tried their best. We are proud of our athletes!

The band students were off on their band tours in May. They made a stop in Success on May 31st to perform for students and fill the school with fabulous music. Job well done to our band students, all your practice certainly was noticed. Just a reminder that students wishing to take band next year, June 2nd is the deadline to register.

As per Chinook School Division protocol, any time your child is picked up from the school or a school activity by someone other than a parent or guardian, the school must be notified by email, note, text or by phone (email or note is preferred). These procedures are in place solely for the safety of your children, which is our top priority. We appreciate your cooperation!

And just like that we are into June! Check out what we have going on in June:

Principal's Message

Hello families!!

May was a wonderful month at Stewart Valley School!! Grade 4 students had the opportunity to learn about and try out instruments with Mrs. Switzer as they consider joining band next year! Room 3 attended the Heritage fair in Moose Jaw where they took part in learning activities throughout the day and also presented their displays. Our first whole school gathering of May was a Writer's Cafe where many of the students read aloud pieces of writing they have worked on throughout the year. The SCC provided snacks for the cafe, they were really appreciated, thanks a bunch! All Room 3 students attended track sectionals at the Comp in Swift Current in mid-May. Great job in all your events athletes! Both schools attended EYE workshops to learn about many science topics through fun and interactive sessions! Another event this month was a career presentation for Room 3! Room 1 students traveled to Gull Lake for their end of the year field trip! They enjoyed mini golf, bowling, and a private showing of the Mario movie at the Lyceum Theater. May wrapped up with the band students traveling to Success to perform for both schools. Congratulations to Trey, our only band students, on a wonderful performance!

With June already upon us, we have many exciting things to look forward to before the year comes to a close. We also say goodbye to Mr. Ruf and wish him well on his next adventure. Thank you so much for all you have done for our school. You WILL be missed!!

As we wrap up our unique year, I would like to express my sincerest thanks to SV staff, students, families, community members, SCC, as well as Success staff, students, families, community and SCC. Together we have made it through challenges and have grown and learned in the process. The support and kindness shown by all of you and many others far and wide has helped us thrive. We are STINGER STRONG! Enjoy the next month, relax and rejuvenate during the summer, and I will see you in the fall!

For the Summer...

The summer is an excellent time to give those brass instruments a good cleaning and to send in instruments that need any type of repair.

Thank You...

I want to thank the parents, teachers, administration, chaperones and especially the students for the wonderful year.

Next Year...

Band registration forms for next fall are due June 2. You will be receiving the link to the google form tomorrow. I am looking forward to working with all the students again in the fall.

**MAKE SURE YOU
BRING YOUR
MUSIC &
INSTRUMENT
TO SCHOOL FOR
YOUR LESSONS
until June 21!**
