As we turn the calendar to the final month in 2022, we prepare for the wonderful Christmas season. Mother Nature has thrown us some very unpredictable and severe weather, but it won't dampen our Christmas Spirit.

In November we kept busy with Funblast, Remembrance Day, Parent Teacher Conferences, and a Noon Lunch. The volleyball season finished up with the students vs teacher game. At the end of the day, after some good rallies and serves from both sides, the teachers came out on top and were able to hoist their trophies. The sportsmanship, competitiveness and enthusiasm was great to see. Great job everyone!

The SCC has organized our Christmas craft day for December 21 from 10:30 to 12:15. Parents are welcome to come and assist. In order for the Kindergarten students to participate in the Christmas Craft Day we will switch the kindergarten days from the 20th to the 21st. When crafts are completed, they will provide us with a hot lunch! Thank you to the SCC for your continued support.

Principal's Message

Hello families!!

November has been a month full of learning and fun! To kick off the month, Stewart Valley students gave the Success staff and students a really BIG surprise! As a thank you for sharing their school with us, we presented the school with a brand-new set of couches for their Library!!! The shock and excitement on the faces of their staff and students was priceless. Thank you to the SCC and the Stinger Strong Community Fire Rebuild Fund for purchasing the couches.

We also hosted a Funblast for both schools and held a Remembrance Day ceremony. We spent a couple Friday afternoons playing games with the whole Stewart Valley school to help build the feelings of belonging and community. Students have a really good time at these! Parent Teacher Interviews were this month, where we had wonderful student learning conversations with so many families. The Success school Library held their annual book fair and invited our school to take part. Generous community donations allowed each student to choose a free \$10 book! Students were very excited!! Another highlight was the staff vs. students volleyball game and another delicious hot lunch! It is hard to believe we are three months into the school year. I am really looking forward to December and all the good things that come with it.
